

Andrea!

Jesus said, “Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.” Matthew 19:14

Faithful in the little practices of Love!

Andrea is full of energy and life. Her bubbly smile and delightful laugh bring joy to so many. She is a hard-worker at whatever she sets her mind to do. Andrea loves to watch movies, play outside, go swimming, the list could go on and on. She is currently enjoying taking English classes at HCN.

What really sets Andrea apart from the other children is her listening ear and her faithfulness. Mother Teresa once stated, “Be faithful in the little practices of love which will build in you the life of holiness...” Andrea’s faithfulness is shown in her relationship with her sister, Ingrid, who she always has time to listen to and encourage. Andrea has also been a listening ear for many of the other children when they needed someone to listen.

Andrea is faithful in the little practices of love because of the love that others have shown her. Thank you so much for your investment into the life of Andrea!
