

Francisco

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Matthew 19:14

All boy with a sweet heart!

Francisco is all boy; a boy we are very blessed to have at HCN. He loves to play ball, ride bikes, get dirty, wrestle, have water fights, play Nintendo, the list goes on and on. Francisco is one of three children. His older sister Yennifer and younger brother Carlitos also live at HCN (pictured right bottom corner). He loves to joke around and play with his younger brother Carlitos. They are often found tickling each other and pretending to be ninja's.

Francisco and his siblings were placed at HCN when their mother was put in jail. Since then, these three have developed a very close bond and deep love for each other. Yennifer, Francisco's older sister, had a surgical procedure to correct a deformity in her eye in March. The afternoon following her surgery, Francisco wanted nothing more than to go and see his sister to make sure she was okay. He did go and see his Yennifer, which brightened her spirits and helped him. Once Yennifer returned to HCN, Francisco did a great job helping to care of her. He loves his family.

Francisco is all boy with a very sweet heart. Thank you so much for supporting and caring for Francisco! He is now learning how to help care for others.
