

Heynerk

Jesus said, “Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.” Matthew 19:14

All boy with a toothless grin!

Heynerk’s toothless grin captures the essence of his being. He is a boy in every sense of the word — A boy who is full of life, excitement, vigor, adventure, and love — all of which can be seen when he flashes that classic grin. His smile is one that reminds you the beauty of being a child, a smile that is infectious! Heynerk loves to run, jump into your arms and proceed to tell you what he is learning, or what he did so far in the day. With Heynerk in your arms, always holding as tight as he can, you realize the impact love has on a child. Love helps to develop and grow children. We are seeing that happen with Heynerk!

Heynerk is learning English with our English teacher at HCN and thoroughly enjoys practicing his new words. He has also become fascinated with the computer and enjoys playing games to learn English on the computer. The smile that all here at El Ayudante have fallen in love with is the product of the love this child has received from you. Above is a picture of Heynerk and his Christmas present from you, his sponsor. He may have been the most excited child that day. Thank you for loving Heynerk! His smile would not be nearly as bright without you!
