

Jonathan

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Matthew 19:14

A life full of love!

Jonathan is a precious child. He is ever joyful and forever smiling. He is a child that we can all learn so much from. Jonathan lives out Ephesians 5:1, "Be imitators of God...and live a life of love." His life is a life of love. Jonathan sees the best in everyone and treats others as he would like to be treated.

Jonathan just recently celebrated his 7th birthday. For his birthday celebration there was cake, ice cream, and a pinata. When it came time for the pinata, all the kids gathered around. Jonathan took the first swing and then joyfully passed it off to another child so that they too could take part in the excitement. He genuinely enjoyed watching the other children's joy as they took a swing at the pinata as much as he did hitting it himself.

Jonathan also enjoys having fun. He has gotten a thrill out of his battery run monster car he got for his birthday. He enjoys playing outside, riding bikes, playing Nintendo, and studying. Jonathan is also known to like to eat double decker peanut butter and jelly sandwiches!

Jonathan's love for others has been such a wonderful witness to all. He has begun to learn what so few people ever learn in over their entire lifetime, how to love like the Lord. Thank you for your love and support for Jonathan. He is one very special child.
