

Jose Benito!

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Matthew 19:14

Tender heart filled with energy and love

Jose Benito is full of energy and love. Although shy at times, Jose Benito is never afraid to give a hug. He loves to play games with the other kids at HCN, swim (as evidenced by his picture belly-flopping into the pool!), color, ride bikes, and play Nintendo.

What is most amazing about Jose Benito is his childlike innocence and love. He has such a tender heart. Recently, Jose Benito was given some stickers. Instead of keeping them for himself, he chose to share them with the other children. At his young age, Jose Benito, has learned to love deeply.

Your love and investment into his life has made such a difference. He knows that he is loved. Thank you for supporting our sweet Jose Benito.
