

Karla!

Jesus said, “Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.” Matthew 19:14

Grateful Heart!

Karla is such a joy to be around. She sees everything as beautiful and basks in the wonders of everyday living. She loves to dance, sing, read, study, ride bikes, draw, and dress up. Karla is growing into a beautiful girl both inside and out. She has twin brothers at HCN, Jacob and Esau (pictured top left). It takes just a little time around her and her brothers to realize how much they look up to her.

Karla captures the attention and friendship of every child at HCN. Several months ago we received six new girls from a center that had been shut down by the Ministry of Family. Karla did a wonderful job making those girls feel welcome. The bottom right picture is of Karla and Laura and the bottom left picture is of Karla and Yessenia, both girls are ones Karla welcomed into the HCN family.

The most impressive thing about Karla is her grateful heart. Since the start of this year, Karla has become so thankful for the opportunities she has at HCN. George Herbert once said in a prayer, “Thou has given me so much...Give me one thing more, a grateful heart.” Karla is so grateful to you for choosing to love and invest in her. You are making a difference in her life. Thank you!
