

Kathia

Jesus said, “Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.” Matthew 19:14

Her confidence and bravery amaze!

Katia is an amazing young woman. She loves to dance, laugh, swim, and is very excited about learning to read. When she arrived at HCN, a couple of months ago, she was 13 years old and had never been to school. That did not stop Katia. She reveled at the opportunity to go to school, even if it meant she would be the oldest child in her class. Not only has Katia been dedicated to doing her homework and attending classes, she made the honor roll! Katia’s bravery and desire to learn has taught us all.

Katia came home from school one day and said, “All the other kids in my school want to come to El Ayudante.” Katia had gone to school and shared with her classmates how much she is loved and taken care of at El Ayudante. She has showed them the necklace that her sponsor gave her with great pride. It was then that it clicked, Katia has the confidence to go to school and succeed even though she is so much older, because she knows she is loved and supported. Your love has given her the confidence to dare to dream and achieve. Thank you so much for loving and supporting Katia.
