

Kevin

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Matthew 19:14

Leads with compassion!

Kevin is a quiet leader who has a deep, compassionate heart. Kevin is our animal rescuer. He has tried to save baby bunnies, birds, etc. Kevin has a heart for anyone/thing (person or animal) that is hurting or out of place. Above is a picture of Kevin holding an injured bird that he helped to rescue. Kevin loves to play Nintendo with the other boys. To me, Kevin's leadership and compassion are showcased by the way he treats others while playing Nintendo. Each of the boys has a choice to either play Nintendo or watch TV for an hour a day if they have finished their homework. On many occasions, during Kevin's hour to play Nintendo another child has walked into the room with a dismayed look on their face. Without complaining or much thought, Kevin will take the control from his hand and gently place it into the hand of another child. He is willing to give up one of his favorite things to bring joy to others. Your love and support have helped to teach Kevin these lessons. Thank you so much for blessing his life.
