

Noelia!

Jesus said, “Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.” Matthew 19:14

Precious Gift!

Noelia is the youngest child at HCN, and truly a precious gift. She is full of life and energy. Noelia came to HCN, with five other girls, from center in Leon that had been shut down by the Ministry of Family. From the day Noelia arrived HCN, she has always tried to be a helper to the other children. When this group of new girls arrived with very little clothing and no closed toed shoe, with your financial support, were able to take them shopping to buy them what they needed. During this shopping excursion, Noelia put herself in charge of making sure each child put the correct shoe on the correct foot. She also managed to get herself into a pair of high heels about ten sizes too big and was walking around the store with such joy and excitement.

Noelia has been so blessed by the love you have given her. At El Ayudante, she has been enrolled in a wonderful school, flown her first kite, eaten pizza, gone to the pool and many other “firsts.” Thank you for partnering with us in loving this precious gift.
