

Reina Daniella!

Jesus said, “Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.” Matthew 19:14

What a bundle of energy and joy!

Reina Daniella defines both joy and energy. Her sweet giggle and sealed smile can not help but share the simple delight of being loved. Although she is still tiny for her age, she continues to develop a heart that is so much larger. Reina loves being a part of the HCN family. As a part of that family, she has welcomed the newer children with open arms and an open heart. Above is a picture of Reina Daniella with our newest addition to our HCN family, Reina Celeste. She continues to color our days with her humor and fiery personality. When driving around in Leon today, Reina Daniella began to give directions (just as proudly as she could) on how to get to El Calvario. Sure enough she was right! Above is a picture of Reina Daniella in front of El Calvario church. Thank you for sponsoring and loving Reina Daniella. Your love is teaching her to love others.
