

Romel!

Jesus said, “Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.” Matthew 19:14

Wings and Roots!

Romel has grown up so much in the past several months. Hooding Carter once stated that there are two things you want to give your children: one is roots and the other is wings. Romel has always been one to possess wings. His energy and desire to explore the world have shown us that. What we have seen change in Romel in the past several months has been nothing short of awesome. He is beginning to take root in the love that he has been given — the love from you and those here in Nicaragua!

Romel is a very adventurous spirit. He loves to climb up the mango trees at El Ayudante and harvest a good snack. Recently watching Romel climb the mango tree, I thought about how much fruit is produced because that tree is grounded, it is rooted. Your investment in Romel has helped to root him in the Love of the Lord. Our prayer is that his roots will grow deeper and produce a harvest of “fruit” for a lifetime. Thank you so much for your investment in Romel’s life.
